#### Substance of Interview

(For each issue discussed, provide a detailed description and indicate if agreement was reached. Some topics may include: identification or clarification of a reference or a portion thereof, claim interpretation, proposed amendments, arguments of any applied references etc...)

Applicant's representative left a message for the examiner, noting that a response to the outstanding Office action was being prepared and would be filed. Applicant's representative inquired re: how to complete GenBank citations that had been indicated as being incomplete (re: the IDS of March 17, 2011). The examiner responded via phone message, indicating that the addition of the date to each citation would be sufficient.

**Applicant recodation instructions:** It is not necessary for applicant to provide a separate record of the substance of interview.

**Examiner recodation instructions:** Examiners must summarize the substance of any interview of record. A complete and proper recodation of the substance of an interview should include the items listed in MPEP 713.04 for complete and proper recodation including the identification of the general thrust of each argument or issue discussed, a general indication of any other pertinent matters discussed regarding patentability and the general results or outcome of the interview, to include an indication as to whether or not agreement was reached on the issues raised.
